

CUMBERLAND COUNTY SCHOOLS 2019-2020 BUDGET

Investing in the WHOLE CHILD

Budget Quick Facts:

- ⇒ The Superintendent's Recommended 2019-2020 Budget was shared with the Cumberland County Board of Education on Tuesday, March 5, and it recommends that the Board ask for an increase of \$8.9 million in local funding from the Cumberland County Board of Commissioners.
- ⇒ To address the needs of the whole child, the school system is requesting funding to increase the number of social workers, school counselors and school nurses to the nationally recommended average over six years and fund other strategic priorities that have been identified by our stakeholders.
- ⇒ Over the next few weeks, Board members will review the superintendent's budget request, receive input from the public, make any necessary adjustments and submit a budget request to the Cumberland County Board of Commissioners.
